**Presenter Invitation**

# IR/INFO 2026

You are invited to submit an abstract for consideration at IR/INFO 2026. This is a valuable opportunity for you to share your expertise with fellow thermographers and enrich your professional profile.

## Benefits

- Publication of PowerPoint in the IR/INFO Conference Proceedings
- Share your expertise among global peers
- Recognition as a notable figure in the IR Community
- Professional development enhancement
- Earn points toward Master Thermographer<sup>®</sup> qualification
- Substantial registration discount for IR/INFO 2026

## Selection Criteria

Any individual or company may submit an abstract for consideration. Relevant subject matter is unrestricted; however, sales and marketing presentations are not permitted. Preference will be given based on the following criteria:

- End user case studies
- Innovative applications
- Related NDT topics
- Best Practices
- Regulatory insights
- Technological advancements

## Submission Requirements

Complete the attached form, providing your Presentation Title, 100 to 150 word abstract (inclusive of learning objectives), contact information and a professional headshot of the presenter. ***By submitting your abstract, you acknowledge and accept the Presenter Agreement outlined below.***

## Acceptance Notifications and Presenter Agreement

Accepted presenters will receive notification within 30 days. Upon acceptance, presenters agree to:

- Prepare a 25-minute PowerPoint presentation, and submit by December 1, 2025.
- All presentations are subject to review and adjustments for technical accuracy and content.
- Allow inclusion and electronic distribution of the PowerPoint presentation in IR/INFO Conference proceedings, unless a written opt-out is received and acknowledged by December 1, 2025.
- Demonstrate professionalism in all aspects of your presentation, and avoid including promotional, sales, or marketing content.
- Commit to attending a minimum of one (1) day of the IR/INFO Conference, which includes the day of your scheduled presentation.
- Optional: We encourage you to contemplate creating a brief paper derived from your presentation, which may be considered for publication as an Article of the Month on IRINFO.org.
